OBJECTIVE

I am a dedicated and determined college student committed to overcoming challenges and achieving my goals. I have hands-on experience working in production environments twice — gaining real-world exposure to professional workflows, team collaboration, and delivering output under pressure. I approach every task with discipline and a strong work ethic, eager to expand my skills across design, editing, development, and live streaming.

EDUCATIONAL BACKGROUND

Bachelor of Science in Computer Science 3rd Year College (Incoming 4th Year) Arellano University – Jose Abad Santos Campus 3058 Taft Avenue, Pasay City	2023 – Present Ongoing
Information and Communication Technology Senior High School Arellano University – Jose Abad Santos Campus 3058 Taft Avenue, Pasay City	2019 – 2023
Junior High School Baclaran Parañaque National High School 1702 Dimasalang Ext. Baclaran, Parañaque City	2017 – 2020
Elementary Education Baclaran Elementary School Unit 2 Santiago St. Parañaque City	2010 – 2016

EXPERIENCE

3rd Year Computer Science Student (Incoming 4th Year) Arellano University – Jose Abad Santos Campus	2023 – Present
– Pursuing BSCS — currently 3rd year, incoming 4th year (2023–Present). – Worked in production environments twice — gaining real-world professional exposure. – Self-directed learning in video editing, live streaming, and creative content.
